Notice of Revision to the Long-Range Vision

GLORY LTD. hereby announces that, in view of the acquisition on July 10, 2012 of Talaris Topco Limited of the UK, it has revised the Long-Range Vision 2018 announced on February 27, 2012, as described below.

Note: Underlines indicate revised items.

(1) Long-Term Basic Policy

- Create new value through “superb manufacturing technique” and pursue dreams for the future
- Seek sustained corporate growth together with society through CSR activities

(2) Long-Term Performance Targets (Fiscal 2018)

- Consolidated net sales: 260 billion yen (Previous target: 220 billion yen)
- Consolidated operating margin: 12%

(3) Long-Term Basic Strategy

1) Business Strategy

- Domestic operations: Capture untapped markets and introduce new products
- Overseas operations: Enhance business expansion in new business fields in developed countries and in emerging economies
- New businesses: Establish operations in the non-money-handling field

2) Constitutional Strategy

- Develop pioneer technologies to become GLORY’s backbone and apply inimitable excellence in “manufacturing technique”
- Realize QCD (quality, cost, delivery) that supports the business strategy

3) Corporate Management Strategy

- Establish solid business infrastructure of the Group and develop global human capital
- Maximize synergies of Group management

Note: Forward-looking statements contained in this news release have been prepared based on currently available information and include various risks and uncertainties. The Company cautions that a number of factors could cause actual results to differ materially from these forward-looking statements.

###
