Glory included in the FTSE Blossom Japan Sector Relative Index

Glory announces it has been included in the FTSE Blossom Japan Sector Relative Index.

The new FTSE Blossom Japan Sector Relative Index is designed as a sector neutral benchmark that reflects the performance of companies demonstrating strong Environmental, Social and Governance (ESG) practices in Japan. The index selects companies with higher ESG Ratings within the top 50% of each sector and supports climate transition to a low carbon economy by evaluating companies' climate governance and climate change efforts with Transition Pathway Initiative's Management Quality Score.
